Reverse Crit Professional Pin Up

Jan 20, 2021 | 5:30pm
1 AIA LU|HSW Available

AIAS UO and AIA Eugene warmly invite you to the 2021 annual Reverse Crit professional pin-up. An exciting tradition, every year professional firms showcase their current or recent projects for the students, as well as faculty and fellow architects. Pin-up style consists of working drawings and imagery, allowing students to get an 'inside look' into the professional workings and resolutions to architectural issues. After the presentation, attending students will vote for their favorite presentations according to AIAS Design Categories, and winning firms will receive 2021 AIAS Awards.

CALL FOR PRESENTERS - 2 more needed!

We would like to invite all AIA Oregon members to present at the annual Professional Pin-Up on January 20, 2021. Showcase your projects during any phase of design and/or construction, although in-process is preferred. Invite multiple professionals involved with the project to present and discuss how collaboration affects design.

If you are interested in presenting, or for more info, please contact info@aiaoregon.org.

Join AIA Oregon for a discussion on how Oregon firms are tracking and meeting Architecture 2030 goals through AIA's Design Data Exchange (DDx) reporting tool.

This working group meeting will focus on how having an office champion, dedicated to supporting project teams with 2030 reporting, can drive energy efficiency goals throughout design. This topic is in alignment with the application launch for the Energy Trust 2021 Net Zero Emerging Leaders internship grant application.

AIA New York Workshop - Writing for Architects and Designers
Thursdays, Jan. 14 - Feb. 11 | 1pm PST | 5 LUs for 5 Sessions

CENTER FOR ARCHITECTURE

AIA New York Center for Architecture is offering a five-part course intended to help architects and designers learn to communicate more effectively through writing.

The course is organized as a series of synchronous video lectures interspersed with participatory group exercises. Each session will offer strategies and ideas for addressing writing and editing challenges that architects, designers, and marketing/bizdev teams frequently encounter. A total of AIA CES: 5.0 LUs will be awarded upon completion of the course. *You must attend all 5 courses to receive the CES.*

Urban Design Panel January Presentation
Jan 19 | 12-1:30pm

The Urban Design Panel starts off the new year with the January presentation "Earthquake Ready Burnside Bridge Update."

What could the future Burnside Bridge look like? Portland's aging downtown bridges are not expected to withstand a major earthquake. That's why Multnomah County is taking the lead on making at least one crossing earthquake ready. Join this discussion to review a range of different bridge types being considered for the future Earthquake Ready Burnside Bridge. [Learn More and Register»](#)
