## Chris White Scholarship

### 2021 Scholarship Applications Due February 5

The Chris White Scholarship for Emerging Professionals is an annual award of up to \$1,000 per recipient to one or more selected first-time architecture license candidates in Oregon through application and committee review. Traditionally, the scholarship is funded through proceeds from the annual Chris White / AIA Portland Golf Tournament, which started in 2015. However, we did not have golf tournament in 2020, but the AIA Oregon Board of Directors has prioritized the funding of the scholarship.

## Urban Design Panel January Presentation

**Jan 19 | 12-1:30pm**

The Urban Design Panel starts off the new year with the January presentation "Earthquake Ready Burnside Bridge Update."

What could the future Burnside Bridge look like? Portland's aging downtown bridges are not expected to withstand a major earthquake. That's why Multnomah County is taking the lead on making at least one crossing earthquake ready. Join this discussion to review a range of

## Reverse Crit Professional Pin Up

**Jan 20, 2021 | 5:30pm**  
1 AIA LU|HSW Available

AIAS UO and AIA Eugene warmly invite you to the 2021 annual Reverse Crit professional pin-up. An exciting tradition, every year professional firms showcase their current or recent projects for the students, as well as faculty and fellow architects. Pin-up style consists of working drawings and imagery, allowing students to get an 'inside look' into the professional workings and resolutions to architectural issues. After the presentation, attending students will vote for their favorite presentations according to AIAS Design Categories, and winning firms will receive 2021 AIAS Awards.

[Learn More and Register](#)

### CALL FOR PRESENTERS - 2 more needed!

We would like to invite all AIA Oregon members to present at the annual Professional Pin-Up on January 20, 2021. Showcase your projects during any phase of design and/or construction, although in-process is preferred. Invite multiple professionals involved with the project to present and discuss how collaboration affects design.

If you are interested in presenting, or for more info, please contact [info@aiaoregon.org](mailto:info@aiaoregon.org).

## Be part of the solution

**Jan 21 | 12-1pm**

Join AIA Oregon for a discussion on how Oregon firms are tracking and meeting Architecture 2030 goals through AIA's Design Data Exchange (DDx) reporting tool.

The AIA 2030 Commitment is a growing initiative that provides a consistent, national framework with simple metrics and a standardized reporting format to help firms evaluate the impact design decisions have on an individual project's energy performance. The profession can't meet vigorous building energy use reduction targets one project at a time, and so architects are embracing the challenge at hand by thinking differently about sustainable design.
