## Bend First Thursday - Innotech Windows

Feb 6 | 4-6pm | BLRB Architects, 404 Southwest Columbia Street  
**1 CEU Available**

"Dual Action Windows"

Speaker - Patrick McMahon, Architectural Product Representative

Course summary:

Dual action window systems are increasingly being installed in performance-driven projects. Yet most building professionals don't intentionally design for dual action window systems. This 1-hour course will delve into the unique features of dual action window systems to help building professionals maximize their benefits to improve the overall energy-efficiency, durability and comfort of their projects.

### Architects Without Borders - Friends of Gladstone Nature Park

The Friends of Gladstone Nature Park, a 501(c)(3) non-profit organization, have contacted Architects Without Borders – Oregon seeking help with the next phase of their efforts to develop the 11.5 acre nature park at Webster Road and Oatfield Road in Gladstone, Oregon. They are looking for volunteer help with selection of native plants and design for planting in a 10,000 square foot portion of the park that has been cleared of invasive species. They have received a grant from Metro to buy plant materials. Architects Without Borders does not expect to be directly involved in this work, but would like to help the Friends of Gladstone Nature Park find a Landscape Architect or other qualified person to provide the needed assistance. If interested, or for more information, please contact Nancy Eichsteadt, director of the Friends organization, at [jneich@comcast.net](mailto:jneich@comcast.net).
