

Statement from the AIA Oregon Board of Directors

Our Board of Directors has released a statement on inclusivity in response to the recent political climate, including events at our nation's capitol. If you haven't already, please take a moment to read the statement.

[Read the Statement](#)

AIA Oregon Design Annual

The AIA Oregon Design Annual, previously a publication of AIA Eugene, is now available. An annual publication recognizing award winning projects and articles about our built environment, the focus of this year's publication is "Inclusive Spaces".

Thank you to all our contributors for your support in raising the visibility of our members and our industry, highlighting the chapter's recent accomplishments, and sharing the quality and value of our work in the community.

OSBAE Proposed Rule Amendment

Rule hearing on February 19, 2021, 9:30-10:00 AM

The Oregon State Board of Architect Examiners (OSBAE) invites public comment on proposed amendments to its rules. The Board will hold a public hearing on February 19, 2021 for proposed rules regarding a continuing education audit. See the proposed amendment for further details.

How to Comment:

1. Attend the rule hearing on February 19, 2021, 9:30-10:00 AM
Via videoconference (contact our office for details), or
By phone at 503-763-0662 x1 or
2. Provide written comments to OSBAE. Comments may be sent to the OSBAE office by mail or e-mail, but must be received by OSBAE no later than 9:30 AM on February 19, 2021. The mailing address is OSBAE, 205 Liberty Street NE, Suite A, Salem, OR 97301. The e-mail address is mari@osbae.com.

For more information, please visit the [OSBAE website](#) or contact their office.

Changes to the Publication and Distribution of ARCHITECT Magazine

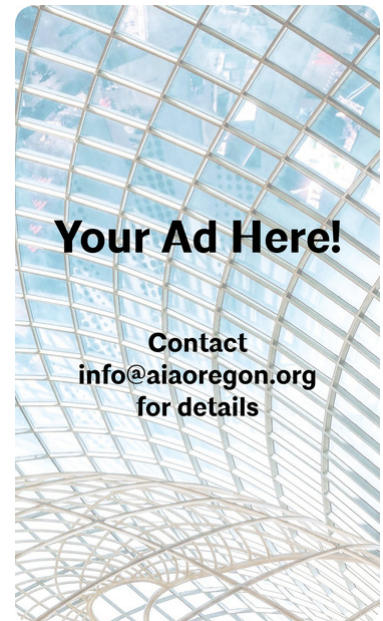

ARCHITECT Magazine, citing economic and ecological concerns, have made some changes to their output and distribution to AIA Members.

AIA Oregon Digital Design Series

AIA Oregon's Digital Design Series is a 1 hour virtual session with various presenters on Zoom that occurs Wednesdays at 5:00pm. The topics of this series are design-focused, based on the concept of Learning from Sharing, led by people in our community and should provide opportunities for discussion.

If you would like to present, or have an idea for a DDS topic, please contact info@aiaoregon.org.

January 27 Recording Available

At our Digital Design Series event last night, Ben Arico, AIA and Sarah Weber, IIDA of Bora Architecture & Interiors presented Bora's winning entries in the 2020 AIA Oregon Architecture Awards - the Citation Award winning Meier and Frank Building Redevelopment and the Merit Award winning Metro YMCA Workplace Adaptation.

OSU Cascades Construction Tour

Join us for an update on the OSU Cascades Edward J. Ray Hall. Through a virtual construction tour and presentation, the project team will showcase construction progress on the mass timber, net-zero-ready building first described in the May 2020 InProcess lecture. See how the old pumice mine is being developed, and how the commitment to sustainability and design excellence are being carried out in the construction and get your questions answered on what's working, what has changed, and any lessons learned along the way.

Tally Case Study - Kieran Timberlake

"Embodied Environmental Impact Planning with Tally®: A Case Study"

The Tally® Life Cycle Assessment App is a Revit plugin that allows architects and other building professionals to conduct Life Cycle Assessment (LCA) using BIM as part of standard architectural practice. Tally was developed by Kieran Timberlake's affiliate company, KT Innovations, partnered with Autodesk and thinkstep to create Tally.

Roderick Bates and Brandon Cuffy of KT Innovations will provide an overview of Tally® through case studies, and they will discuss an upcoming Tally® training program available to AIA Oregon members.

UO School of Architecture & Environment - Career & Networking Fair

Feb 18 | 11am | This event is fee-based for firms and free for students.

Registration closes February 12

The UO School of Architecture and Environment (SAE) 2021 Career and Networking Fair is a virtual event that connects firms that represent SAE fields with students in those majors.

This year's fair has been rebranded from "Recruitment Fair" to "Career & Networking Fair" to better reflect the current economic conditions and the reality that not all firms that want to connect with students will be hiring. The event is virtual, and firms and students can sign up using the **[Handshake](#)** platform. Registration closes on Feb 12, but firms are encouraged to sign up ASAP so they can create the sessions that they want to offer within the platform and still leave time before event day for students to find them and sign up.

20% of ticket sales donated to [Your Street Your Voice](#)

The IIDA (International Interior Design Association) Oregon Chapter invites you to start your day with NEXT – an annual keynote speaker series featuring thought leadership from the design industry and beyond. Their goal is to discuss provocative topics and encourage new ways of thinking. This year's topic is STORYTELLING. [Learn More and Register»](#)

Energy Trust Net Zero Fellowship Research Presentations

January and February 2021 | 1.5 AIA HSW and 1.5 CCB Available

Energy Trust of Oregon's 2019 Net Zero Fellow, Katy Anderson of Glumac, is sharing the results of her research in a special virtual presentation, and you're invited. Katy will present her research on cost drivers associated with net-zero multifamily new construction, along with resources that design teams and energy modelers can use to estimate costs early in design. Join us for a free virtual event and earn 1.5 AIA HSW and 1.5 CCB continuing education credits.

You have four opportunities to see her presentation. [Learn More and Register»](#)

Pandemic as Portal: Creating a Just Future on Earth

OSU Spring Creek Project Lecture Series

Tuesdays Jan 12-Mar 9 | 6pm | Free and Open to the Public

This series imagines the pandemic as a portal between two worlds, pre- and post-pandemic. Presentations will explore questions about how we can use this moment to re-image the world on the other side. The speakers in the series come from many perspectives, from writing, philosophy, and history to architecture, music, and filmmaking. [Learn More and Register»](#)
