Charlie "GZ" Brown, FAIA

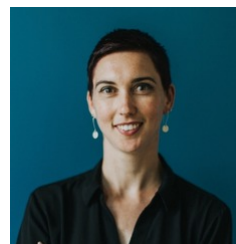

February 20, 2020

We regret to say that our friend, Charlie "GZ" Brown, passed away on February 15th after a long health battle.

Charlie had a significant impact on our community, both professionally and academically, and will be missed. His family and the University of Oregon are putting together a remembrance of Charlie - we will keep you informed.

Learn More about AIA Oregon Committees and how to get involved!

AIA Oregon activities including networking events and programs happen through the work of the committees. Examples include advocating local governments through the Committee on Local Affairs (CoLA), the Emerging Professional Happy Hours, Greenbag lunches by the Committee on the Environment (CoTE), and the Future Vision conference organized by the Committee of Equity, Diversity and Inclusion (CoEDI).

All Salem members are invited to a special Open House social event on February 26th to discover the different committees and find out how to take part in them. You will hear from committee leaders and other AIAO board members about each committee's vision and the benefits of participating. Location and time to be confirmed. If you have any questions, please contact Daniel Roth.

AIAU 2020 Project Delivery Symposium: Delivering the Future March 10 Webinar | 8am (EST)

As the demand for improved project outcomes continues to drive the design and construction industry, there is increasing pressure transforming the traditional roles and relationships among owners, architects, and builders. This symposium will concentrate on project delivery strategies and their critical place at the nexus of these transformational forces. The goal is to broaden the conversation among owners, architects, engineers, constructors, and all parties to the building industry.

For the first time, this event (March 10 only) will be live streamed and recorded through the AIAU platform. Attend the Symposium in person or through live streaming. [Learn More»](#)

Mar 19 | 4-5pm | 61980 Skyline Ranch Road Bend, OR 97703

CEU Pending

Designed by Hacker (then THA), and dedicated in April of 2015, the Church building was designed to be respectful of the land with a strong connection to nature, full of natural light and fresh air. There was a strong desire for it to be a green, sustainable, energy-efficient, low maintenance building—a model for the community; a building that allows for flexibility and growth and is universally accessible.
