In Memoriam - Thom Hacker

Mar 2, 2023

It is with great sadness that we announce the passing of Thomas Hacker (Nov 4, 1941 - Feb 27, 2023). Thom was an AIA Fellow, a former teacher at the University of Oregon, and the founder of the firm now known as Hacker Architects. [Read More](#)

Conference Calls for Proposals

**NOMA Portland '23
BUILDING BRIDGES
towards just and joyful futures
Oct 11-15, 2023 | Portland**

Submissions due March 24, 2023

The Annual NOMA Conference will be held this year on October 11-15, 2023 in Portland, Oregon.

The conference is an excellent way to connect with colleagues and friends around the world and to network with architects, allied professionals, emerging professionals and students, and this year it's in our own backyard!

NOMA has opened the call for proposals. Follow the link below to learn more.

2022 Oregon Design Conference On-Demand Content

Take the courses by March 31 to get HSW credit

This is a reminder that most of the 2022 ODC sessions were recorded and are available for On-Demand CE. Access to all the courses is available to AIA Members for \$30 (Membership includes Individual and Small Firm Allied Members and members of NOMA PDX).

HSW Credit reporting will be available until March 31st. After that you can self-report, but HSW will not be available.

Please Note: the \$30 access fee is good for ONE individual, not for a group.

Energy Trust Presents New Research

A Prototype for Affordable, Resilient, Low-Energy Cottage Cluster Housing
1.5 AIA HSW and 1.5 CCB CEUs available

Jessy Ledesma and her team studied the potential to move toward a Path to Net Zero approach for affordable housing by clustering units, centralizing mechanical and hot water systems and optimizing multi-family development scale for solar microgrids. The research analysis focuses on the Milwaukie Courtyard Housing Project. Choose one of three opportunities to learn about this innovative project, which includes 25-35 for-sale workforce housing units in Milwaukie, Oregon.

Eugene - Franklin Boulevard Transformation

Online Open House | Provide Feedback by Mar 5

On February 2, 2023 over 160 members of the community attended the in-person Community Open House for the Franklin Blvd Transformation project. Staff shared the current design iteration with attendees and engaged in discussion. Feedback was shared and collected and will be used to inform further refinement of the design as it moves forward from planning to engineering.

Didn't make it to the in-person event? Not to worry! You can review all materials shared here and provide feedback on the design through March 5, 2023. [Learn More](#)

Sustainable Building Monthly!
