May 10 | 11am-12pm
McMenamins Theater,
Bend and Virtual

During our member meeting at the ODC, Special Guest Lakisha Woods, CAE, CEO/Executive Vice President of AIA, will join us to offer previews of the AIA24 Conference on Architecture in June. You won't want to miss this opportunity to meet and greet the institute's CEO.

If you cannot attend the ODC in person, you can still register to attend the Member Meeting virtually below.

[Attend the Member Meeting Virtually](#)**New Oregon Licensees**

Passing the Architectural Registration Examination and becoming a licensed architect is a significant achievement. It signifies that an architect is skilled in and committed to protecting the health, safety and welfare of the public, and is a significant personal milestone for those that become licensed.

Congratulations to the architects newly licensed in Oregon between January 1 and March 31, 2024.

[See the New Oregon Licensees](#)**HOPES [29] Conference Structures in Transition****April 19-21st | UO Lawrence Hall, Eugene**

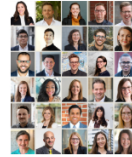

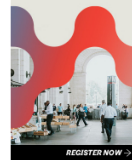

The HOPES Conference (Holistic Options for Planet Earth Sustainability) was established in 1994 by UO architecture, landscape architecture and art students eager to direct their design education. Each year, HOPES provides a platform for students, professionals, leaders and activists to engage in rich discussion on sustainable solutions to contemporary issues.

Continuing Education Credits available for select presentations on provided by AIA Oregon. Please see schedule for details.

Grants, Scholarships, Competitions & Opportunities

YAF and LFRT 2024 Future Forward Grant
Application deadline April 19
Maximum of \$10,000 in grant money available to one or more proposals

A project presented by the Large Firm Roundtable (LFRT) and the AIA Young Architects Forum (YAF), this grant supports students, emerging professionals, and early career architects in the testing of new ideas that disrupt the traditional conception of practice, process, and product in the field of architecture.

The primary objective of the Future Forward Grant is to perpetuate innovation in the practice of architecture by empowering students, emerging professionals, and early career architects to do things they would not otherwise have the capital or resources to accomplish. [Learn More and Apply](#)

AIA Small Project Design (SPD) 2024 Grant Program - Call for Submissions - ends April 19

The SPD advisory committee is pleased to announce the 2024 Small Project Design Knowledge Community Grant. The purpose of this grant is to provide financial support for nonprofit organizations working with architects on community-based projects. Along with supporting the work of nonprofit organizations, we want to demonstrate the value of hiring an architecture firm (and AIA member) for community projects, by helping cover some of the costs associated with hiring the design team. [Learn More](#)
