Oregon Newly Licensed Architects

April 6, 2023

Passing the Architectural Registration Examination and becoming a licensed architect is a significant achievement. It signifies that an architect is skilled in and committed to protecting the health, safety and welfare of the public, and is a significant personal milestone for those that become licensed.

Congratulations to the architects newly licensed in Oregon between January 1 and March 31, 2023.

April SFx Meeting - Jon Niedermeyer
Apr 25 | 12-1pm | Virtual Event

Join us this month for a conversation with Jon Niedermeyer, of Niedermeyer Risk Management (a Division of HUB International), who will talk about risk management, as well as programs and resources to be aware of for benefits, healthcare, retirement or succession. [Learn More and Register](#)

New HQ Task Force Update - Survey Results

Your AIA Oregon Headquarters Task Force (HOTF) has been working exceptionally hard analyzing the results of the member survey issued at the end of last year, and now they'd like to share the results! We will be conducting two Thursday Roundtables to discuss the findings of the survey and recommendations for moving forward as presented by Task Force Leadership.

Join us for one (or both) of these opportunities:

Thursday Roundtable Session 1:
April 27 | 5:00-6:00pm | Virtual Event

Thursday Roundtable Session 2:
May 4 | 5:00-6:00pm | Virtual Event

Accessibility 101: An introduction to accessibility with the new 2017 A117.1
May 5 | 9am-2:30pm | Virtual Event

Updated this year to reflect the new technical accessibility requirements, this presentation will cover both the new requirements and all the basic concepts that are remaining unchanged in the 2017 version of the A117.1.

This course will be presented in two 2.5 hour sections. You can register for one or both, but you must register for both to receive the full 5 credits. [Learn More and Register](#)

Mark Your Calendars!

Stop the Clock - Share your Story
How has the rolling clock impacted you?

Share your story of how you have been affected by the rolling clock on your journey to licensure. AIA looks forward to working with NCARB and the AIA Component network to collect and share those stories to ensure this effort is standardized across all jurisdictions. Make sure to use #AIAstc and #stcMyStory! [Learn More](#)

Apply for a Net Zero Emerging Leaders Internship Grant
Submit your application by July 21, 2023

The Net Zero Emerging Leaders Internship grant application is now open. Through internship grants, funds are available to select architecture and engineering firms that are working on Oregon projects. The grant funds provide financial support to these firms to hire and pay student—or recent graduate—interns to help them meet and track progress toward the firm's American Institute of Architects' [AIA 2030 Commitment](#), Carbon Leadership Forum's [MEP 2040 Commitment](#) or Structural Engineering Institute's [SE 2050 Commitment](#). CSI Portland April Chapter Meeting
Apr 11 | 5-7pm

Hip Chicks Do Wine, 4510 Southeast 23rd Avenue, Portland

Terwilliger Plaza, founded around 1960 is a non-profit resident owned and governed senior living facility with approximately 350 current residents occupying 3 existing buildings. The Parkview project will add 127 independent living units and amenities for all residents to the campus.

April's presentation will focus on how Passive House Institute US (Phius) certification influenced decision-making on the Parkview project, from the architect to the owner, to the consultants and the contractors. [Learn More and Register](#)

Business for Better Buildings Meeting
Apr 12 | 2pm | Virtual Event

The ZERO Coalition, the Building Resilience Coalition, and Oregon Business for Climate are joining together to create a cohort of businesses to engage this legislative session with the time you do have and to match your passion for making a difference. [Learn More and RSVP](#)

AFO - Trauma-Informed Practices Workshop
Apr 17 | 4-6pm | Virtual Event

The Architecture Foundation of Oregon believes that all adults working with youth have a responsibility to not create harm, to give youth space to express their true selves, to look to them as experts, and to center them in our teaching and learning.

Facilitated by [Dr. Renee Mitchell](#), an educator, writer, poet and expert on these topics, the workshop is intended to help prepare you and make you more comfortable working with youth from different backgrounds. All are welcome. [Learn More and Register](#)

AFO - Architects in Schools Camp
Materials Available until April 30

"SMALL CHANGES = BIG IMPACT, Designing for a Sustainable and Resilient Future"

AFO's Architects in Schools Summer Camp content is again available for Spring Break, 2023! During this camp, students explore ways to address climate change through sustainable architecture and design solutions.

Camp material is free, self-paced, and recommended for youth ages 8-12. [Learn More](#)
