Accessibility 101: An Introduction to Accessibility and Universal Design

May 24 | 9am-2:30 | Two 2.5hr virtual sessions

5 AIA LU/HSW Available (2.5 each)

Presented by [Jensen Hughes](#)

Updated this year to include an introduction to Universal Design, this presentation will cover general accessibility topics of the 2017 A117.1. These two classes will cover topics from basic concepts to Universal Design.

Part I will include applicable standards, scoping for publicly funded projects, basic concepts, and public bathrooms. Part II will be residential bathrooms, kitchens, and a primer on Universal Design.

Each session provides 2.5 AIA LU/HSW. You must stay the entire session to receive the full credits for that session. *These two courses meet the California ADA continuing education requirements.*

Upcoming Digital Design Series Presentations

COTE Digital Design Series
May 15 | 4-5pm | Virtual
1 AIA LU|HSW

Architectural Insights: Case Studies in Design Excellence

This will be an engaging, educational event that features in-depth explorations of two remarkable projects: Inn the Ground and Viewfinder Apartments. The architects for each building will provide attendees with inspiration and practical insights into two of the projects that won an AIA Oregon 2030 Award in 2023. [Learn More and Register](#)

Digital Design Series - AIA Oregon Presents - Workshop B
May 22 | 5-6pm | Virtual
1 AIA LU|HSW

Join us for this presentation by Workshop B, where we will learn about 2023 OAA Citation Award recipient, La Semilla, an innovative climate resiliency research center and pilot project. It is situated in San Ysidro, the San Diego neighborhood that touches Tijuana, Mexico, and the busiest land border crossing in North America. [Learn More and Register](#)

Digital Design Series - AIA Oregon Presents - Hennebery Eddy
June 12 | 5-6pm | Virtual
CE Pending

"Case Studies in Design Excellence: Design for Change and Design for Well-Being" - This session will explore the design of two 2023 award-winning projects: the Oregon Supreme Court Rehabilitation and the Bozeman Community Food Co-op Addition. [Learn More and Register](#)

Path to Fellowship 2024 - Kickoff Meeting
Illuminating the Path to Fellowship
May 23 | 5-6pm | Virtual

During the Demystifying session, you will learn about AIA Oregon's Fellowship history and hear from some of our Chapter's Fellows about the process and what you will need along the way. Even if you aren't considering Fellowship this year, but think you might be interested in the future, THIS IS FOR YOU. [Learn More and Register](#)

Upcoming TRT Path to Fellowship Sessions - Save the Dates! (Subject to change, once the AIA Fellowship Schedule has been announced)

- May 23 - kickoff / Illuminating the Path to Fellowship
- June 20 - How to find / be a good sponsor
- August 8 - Successful Opening Statement and Application Organization
- August 22 - Refining and Aligning your application for submission
- Sept 12 - Final "Preflight" check in

Architects in Schools Exhibition Celebration
May & June | Various Dates/Locations

This Architects in Schools season was another huge success, reaching thousands of students across the state of Oregon. Over 150 design and building professionals have spent over 3,000 volunteer hours in classrooms this year, educating students on the built environment and the process of designing and building communities.

There will be three locations around that that will be exhibiting student work in May and June. Follow the links below for more details, or if you would like to volunteer.

UO Architecture Department Lecture Series
Carlos Bedoya, "The Condition of Difficulty"
May 10 | 5pm | White Stag Block & Virtual

Please join the Architecture Department in the Portland WSB Papé Forum, or on Zoom for the talk "The Condition of Difficulty" by Carlos Bedoya (Principal & Co-founder, PRODUCTORA).

This talk raises the possibility of searching both in difficulty and detour for a unique form of architecture: moving away from traditional methods, and seeking to establish a significant relationship within our profession, which may allow us to find a new set of architectural axioms.
