Introducing the AIA Oregon Interim Executive Vice President:

Curt Wilson, AIA

A note from the President:

Curt has been a board member of AIA Oregon for many years, contributing his extensive experience, approachable demeanor, and well-thought-out solutions to many board discussions. In his additional roll as the Legislative Affairs Committee Chair, Curt goes above and beyond and routinely demonstrates an unparalleled commitment to our profession, often providing testimony before the Oregon legislature and Oregon Board of Architectural Examiners on issues important to our members. The board and I look forward to working with Curt in this new capacity and I am certain that his expanded role as the Interim Executive Vice President of AIA Oregon will help our organization complete our transition to a statewide chapter.

Seth Anderson, AIA
AIA Oregon President

Curt will be taking over the role of Robert Hoffman, AIA, who has elected to conclude his work for the chapter and return to the practice of architecture in July after almost thirteen years of AIA service. Since 2006, Robert has volunteered as an AIA Portland director, treasurer, 2010 AIA Portland President, and Center for Architecture President, and ultimately employed as AIA Portland/Oregon EVP/CEO since 2014.

About Curt:

Curt joined PIVOT Architecture shortly after graduating with a Master's Degree from University of Oregon in 1990. He was made a firm Partner in 1999. He holds an architecture license in four states. Curt is a member of the AIA Eugene Section, and has been on the AIA board at the local then state level since 1996. He's lead the legislative affairs committee for AIA Oregon since about 2000. His priority in that role has been to provide a voice for the profession in the Oregon legislature and on public policy matters.

"I'm honored to be appointed to this position and the support I've received from the Board of Directors. I believe in the collective power of Architects to improve our communities and this role gives me a wonderful opportunity to increase my impact on our profession.

I've worked closely with Robert over the past 7 years and hope to continue the improvements we've made. We have a great group of people working for AIA Oregon and I really look forward to working with Colleen, Katie, Adrienne, and Kathy in this new role."
