

## Remembering Jack Broome

July 16, 2020

BORA Architects announce the recent passing of the “B” of Bora, John W. (Jack) Broome, FAIA. As a founder of Bora in 1958, Jack was a magnanimous personality and distinguished Architect who spent 30 years shaping and defining the firm and influencing and changing our communities.

## Election of 2021 AIA National Candidates

An impact of the current pandemic was the cancellation of the AIA Conference on Architecture in Los Angeles in May. The AIA Annual Meeting is typically held during the Conference on Architecture, and this is when national board officers are elected and resolutions authorized by delegates from all chapters. The 2020 AIA Annual Meeting has been rescheduled to September 1 as a virtual meeting, and all members are welcome to participate.

The AIA Oregon board will identify the candidates we support at the August

21 board meeting, and your input is welcome. We will schedule a discussion about the candidates at either the first or second Virtual Happy Hour in August. Check the event page on the AIA Oregon website in the next few weeks for the date. Information on the candidates, including videos, are available at the link below.

[Learn More About the Candidates](#)

## Changes to the Virtual Happy Hours

We are making some changes to our Virtual Happy Hour, adding regular discussion topics, often based on an the T@3's "Message From" or that week's Digital Design Series presentation, and including breakout rooms for a more engaging experience.

This week's discussion topic will be a companion to Paddy Tillet's Message From,

and will start with the question, "What is a Fellow of the AIA Fellowship program?" Please join a mixed group of FAIA on 7/17 at 4:00pm to discuss what the AIA Oregon Fellows Committee is doing, and what it means to be a Fellow. [Register»](#)

**7/24** VHH Topic - The recommendations of the AIA Oregon Design Awards Task Force and planning for the 2020 Architecture Awards and People's Choice Awards. [Register»](#)

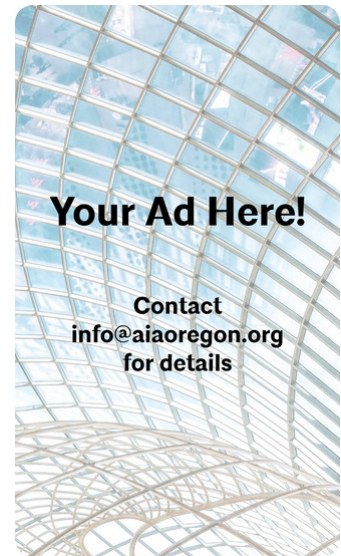

**7/31** VHH Topic - AIA National Board, Britt Lindberg, At-Large Board member will talk about what's happening at National. [Register»](#)

**8/7 or 8/14** VHH Topic - Town Hall discussion on the National Candidates being voted on for office at the AIA Annual meeting in September. Stay tuned!

To accomodate some of the changes we are making, you now need to register for each Virtual Happy Hour you plan to attend, so we know the make up of the group ahead of time.

Working from home has changed the way we communicate in the office, presenting challenges and opportunities for interaction. But what is its specific impact on Emerging Professionals? Bora Architects will host an interactive panel discussion to share the experiences of its younger staff members in the virtual office environment. Join us for a conversation as we explore obstacles faced, as well as solutions implemented, to address this new paradigm.

## AIA Oregon Digital Design Series

AIA Oregon's the Digital Design Series is a 1 hour virtual session with various presenters on Zoom that occurs Wednesdays at 5:00pm. The topics of this series are design-focused, are based on the concept of Learning from Sharing, led by people in our community and should provide opportunities for discussion.

If you have an idea for an upcoming Digital Design Series event, or would like to participate, please contact [info@aiaoregon.org](mailto:info@aiaoregon.org)

### July 15 Recording Available

At our Digital Design Series event yesterday (July 15), Karina Hershberg, PAE and Isaac Barrows, PGE, provided a detailed overview of the decarbonization on buildings and utilities and the grid, with a particular emphasis on why this is important.

### City of Eugene Public Hearing: Farmers Market and Park Blocks

July 20 | 7:30pm

The Eugene City Council, acting as the Urban Renewal Agency Board, wants to hear from community members about the Park Blocks and Farmers Market projects, at a Public Hearing on Monday, July 20th. The hearing will be an opportunity for community

members to comment on whether the projects should move forward, and if so, how they should be funded. [Learn More»](#)

### Improving Jobsite Distancing Through Product Specification

July 22 or 29 | 9am PST | Free Webinar | 1 AIA LU|HSW

During the era of social distancing, to better serve the health interests of the community, traditional construction methods must change. Contractors must find new ways to work.

How can architects, engineers and designers help their builders and general contractors to succeed in the era of social distancing? To the greatest extent possible, specify architectural products which are custom fabricated 100% offsite (custom prefabricated), and delivered to the job site ready-to-be-installed.

After taking the course, you should be able to explain the differences and advantages of architectural railing products built onsite versus those fabricated 100% offsite and you will see how these principles can influence other product choices you make for your projects. [Learn More»](#)

### Interior Tech Live-stream CES Courses
