Call for Nominations

The AIA Oregon Professional Achievement Awards celebrate and recognize achievement at all levels of the profession within our community. The objective is to promote engagement within the local chapter and recognize valuable contributions of members who are serving the community and proactively improving the architecture profession.

Individuals are nominated by others and will be recognized at the AIA Oregon Honors and Design Awards Celebration on October 23, 2020. Nominations are due September 14, 2020. The nomination instructions and forms can be found [HERE](#).

AIA Oregon Awards Programs - Call for Submissions

We are pleased to announce the Calls for Submissions are open for both the Oregon Architecture Awards and AIA Eugene People's Choice Awards. The submittal requirements for the 2020 programs are similar to 2019

programs, however we are using a new awards program platform, therefore there will be some changes. The requirements will be provided in the Calls for Submissions below:

[Oregon Architecture Awards Call for Submissions Materials](#)

Entering Firms must be an AIA Oregon Firm Member ([see below](#)).

[AIA Eugene People's Choice Awards Call for Submissions](#)

Please note that the Awards platform website is not quite finished, but should be up and running to start accepting entries on Monday, August 3rd.

We have incorporated the AIA Framework for Design Excellence, formerly known as the COTE Top Ten, into the 2020 design awards program. Each submission in any of our programs is required to address how they incorporated four of the ten categories in the project description. See the Calls for Submissions above for more details.

Framework for Design Excellence Workshop

August 18 | 4-5pm

We will be holding a Framework for Design Excellence Workshop on August 18 to review the submittal requirements for both programs, and to discuss the inclusion of the Framework for Design Excellence into the submittal requirements.

Diversity in Design - A Seat at the Table | Virtual Career Collaboration

August 6 | 8:30am to 10:00am

As part of [Design Week 2020](#), Portland networking group [Diversity in Design](#) will host a virtual gathering of small group discussions with Career Collaborators (aka mentors) who are professionals of color. Unlike traditional mentor-mentee structures, the mentor figures hosting each virtual room will represent professionals of color at various stages of their careers

If you are interested in featuring your ad in the T@3, please contact info@aiaoregon.org

2020 AIAO Golf Outing

September 25 | Afternoon Tee Times

The 2020 Chris White Golf Classic is Cancelled

Due to the pandemic, the 2020 AIA Oregon Chris White Golf Classic is cancelled. However, Langdon Farms Golf Course is holding open tee times on the afternoon on September 25, 2020 for our use. Those interested in golfing with their friends and colleagues are encouraged to follow the link below to provide your name and contact information, and if we can fill at least five 4-somes by August 21, AIA Oregon will reserve the tee times. Each participant is responsible for their green fees and refreshments.

The CWGG remembers Portland architect, Chris White, AIA, who served consistently throughout his career as a mentor to many new and aspiring architects until he passed in 2014 following a battle with cancer. Chris and his friends at Opsis started golfing together regularly to enjoy each other's company outside of the office. This is the spirit of the intent of this golf outing.

We Want to Hear From YOU

Do you have suggestions for content for the next Thursday@3? Email kwendland@aiaoregon.org by **5pm on Wednesdays**.

Follow Us on Social Media:

ATTN: AIA Oregon Member Firms

AIA Oregon Firm Membership is now available to all AIA member led firms in Oregon. This is an additional voluntary membership program that provides additional benefits, services and opportunities geared to Oregon firms. [Learn more here.](#)

Not sure if your firm is a member? Email amorris@aiaoregon.org to find out.

AIA Oregon Firm Membership is available to all AIA member-led firms in Oregon. A member-led firm is an Oregon registered firm that has at least One (1) Principal who is a member of AIA Oregon.

This is an additional voluntary membership program that provides additional benefits, services and opportunities for firms in Oregon. The firm membership program started in the former AIA Portland chapter, and was retained as we transitioned to a single state chapter. Firm membership has benefits which are described in the document linked below.

Please note those benefits are another way of saying access to some services are restricted to active AIA Oregon member firms. In particular, the AIA Oregon Health Trust Insurance plan and participation by firms in the Oregon Architecture Awards (individual members are eligible to submit if they are not part of a member firm).

The firm membership program is an integral component of our business model, however we recognize the challenging economic times we are in. If you have questions or concerns, please contact Curt Wilson, Executive VP/CEO at cwilson@aiaoregon.org.

Virtual Happy Hours

Our Virtual Happy Hours have regular discussion topics, often based on the T@3's "Message From" or that week's Digital Design Series presentation, and include breakout rooms for a more engaging experience.

This week's discussion topic will be a companion to today's Message From by AIA

National Board, Britt Lindberg, At-Large Board member discussing what's happening at National. Please join us tomorrow, 7/31 at 4pm. **[Register»](#)**

8/7 VHH Topic - T8/7 VHH Topic - Town Hall discussion on the National Candidates being votes on for office at the AIA Annual meeting in September. The intent is to discuss the candidates based on their profile and what some of know about them, discuss what is the leadership that AIA Oregon expects/wants to see from national leaders, and the relationship between a more diverse profession, AIA leadership, and the election process **[Register »](#)**

8/14 VHH Topic - Join Kelly Chanopas, AIA and Octavio Gutierrez, AIA of the Committee on Equity Diversity and Inclusion (CoEDI) to discuss the concept of "Allyship". **[Register»](#)**

To accomodate some of the changes we are making, you now need to register for each Virtual Happy Hour you plan to attend, so we know the

AIA Oregon Digital Design Series

AIA Oregon's the Digital Design Series is a 1 hour virtual session with various presenters on Zoom that occurs Wednesdays at 5:00pm. The topics of this series are design-focused, are based on the concept of Learning from Sharing, led by people in our community and should provide opportunities for discussion.

If you have an idea for an upcoming Digital Design Series event, or would like to participate, please contact info@aiaoregon.org

July 29 Recording Available

At our Digital Design Series event yesterday (July 29), DLR Group Principal Rico Quirindongo, AIA showed the architect's role in in Social Sustainability through some ongoing projects in Seattle.

Our Next Digital Design Series Event

AIA Oregon Presents!

"Planning for Preservation" - Shannon Sardell, AIA

August 5 | 5:00-6:00pm | 1 AIA LU|HSW Available

Shannon will discuss her work on various Historic Preservation projects.

As construction budgets get smaller and deferred maintenance projects get larger, project planning tools that assess existing building conditions and construction projects on historic structures are often overlooked. These reports are critical to focusing the project scope while minimizing project errors. They are also a critical tool that supports fundraising efforts and volunteer labor. Using historic examples from the Silver Falls State Park Youth Camp, Tryon State Park, and the Pacific Northwest Preservation Field School, this presentation will discuss the value of Condition Assessment Reports and Preservation Plans when working on historic structures.

Architecture in Turbulent Times: Equity, Environment, Health, & Economy - An AIA Learning Event

August 12 | 12-6pm

Live and on-demand sessions for up to 6.25 HSW & 14.5 LUs /RIBA.

The simultaneous crises of climate change, COVID-19, a looming economic depression, and systemic racial injustice have exposed structural failings that architecture, and society, must address. It's a perfect storm that has created an unprecedented call for change. Where do we go from here?

This one-day virtual learning event is centered around change. Twenty sessions dive into the important, intersecting issues of equity, the economy, the environment, and public health. You'll learn from a diverse range of experts in architecture and beyond—architects, climate champions, civic leaders, leading academics, and more. [Learn More»](#)

2021 Oregon Residential Specialty Code Review Committee Meeting

August 3 | 9:30 am

Due to COVID-19 restrictions, this committee will connect remotely through a GoToMeeting. Each meeting will be streamed-live on the division's [View Live Meetings](#) webpage.

Oral and written testimony: The division is taking steps to ensure an opportunity for public written testimony and remote oral testimony. Please send written testimony and requests to provide oral testimony or to connect through the GoToMeeting to pts.ptech@oregon.gov. Connection instructions will be sent to you. The deadline for oral testimony requests is Aug. 2, 2020 at 5.p.m.

Access more information about the code adoption process on the code adoption webpage. [Learn More»](#)

PropertyFit is not your traditional loan. It is an innovative financing tool in Multnomah

PROPERTYFIT

County that unlocks building performance and cost-savings in commercial, industrial and multifamily (5+ units) properties. PropertyFit can support projects in existing buildings, new construction, and major renovation—transforming what was once a capital expenditure into an investment in improved performance. Many PropertyFit projects are cash flow positive from day one. PropertyFit can be a valuable tool for AIA members looking to make performance and safety improvements to their facilities, especially while occupancy may be reduced due to COVID-19.
