Oregon Architecture Awards Virtual Celebration

October 15, 2020

Oct 23 | 5:30-7pm | Virtual Awards Celebration

Join us as we celebrate the value of good design and award the design excellence achieved by AIAO member firms at the 2020 Oregon Architecture Awards!

Tune in the evening of October 23 to celebrate our new Fellows and licensed architects, the recipients of the Professional Achievement awards, and of course, the design awards!

AIAO FutureVision 2020

November 9-13 - Hold the Date!

Like much of this year, Future Vision 2020 is going virtual. While we will miss seeing you in person, we are developing some amazing learning opportunities and are thrilled to reach a broader audience. We hope you will join us from November 9th through the 13th to hear from leaders in design justice, connect with

colleagues, and walk away inspired to transform your processes and practices.

The schedule is now up on the website. AIA Oregon is offering three main sessions on November 9th, 10th, and 13th with an additional free session, hosted by Portland Green Schools Committee, on November 12th.

Cost per each 2 Hour AIAO Session (CEU is pending)

\$20 AIA Members

\$30 Non-Members

Free for Students

Scholarships are available - please contact colleenb@aiaoregon.org for details.

2020 Annual Chapter Meeting

Oct 16 | 11:30am - 12:30pm

Per Section 5.11 of the AIA Oregon Bylaws, the Annual Chapter Meeting will be this Friday, October 16, 2020 from 11:30 am to 12:30 pm. The meeting will be a Zoom video conference call.

All Chapter members in good standing are welcome and encouraged to attend.

The purpose of the meeting is to update the membership on reports from the board of directors, including financial reports and other business activities. A proposed bylaw change to modify the start and completion date of the term for At Large Board Members will be included.

ACE Mentor Program

If you are an architecture, construction, or engineering professional and interested in working with high school students to introduce them to the industry's wide range of career opportunities, join us and be a mentor! ACE is a great way to support students, strengthen your networks and build our future workforce.

Mentor Information Sessions: Join us for a Mentor Information Session via Zoom to learn more about the program and some changes we've made this year for a virtual program. Invite your colleagues who may be interested in volunteering. We will provide a program overview and answer questions. Click the date to register and get an automatic participation link (registration is required).

Dates:

Thursday, Oct 15, 6-7pm

Tuesday, Oct. 27, 4:30-5:30pm

Apply Now! Registration is open. We will be asking volunteers to confirm if they would like to be a mentor by November 6, 2020.

[Learn More about the ACE Mentor Program](#)

Virtual Happy Hours

Our Virtual Happy Hours have regular discussion topics, often based on the T@3's "Message From" or that week's Digital Design Series presentation, and may include breakout rooms for a more engaging experience.

This Friday, as part of Sustainable Building Week, join Mark Heizer, PE, mechanical and energy code engineer with the Oregon Building

Codes Division and members of the AIA Oregon Legislative Affairs Sustainability sub-committee to discuss how the energy code is adopted, how BCD is aligning the Governor's Executive Order 20-04 with energy code planning, and potential state-level advocacy related to 2030 goals.

[Register»](#)

There will be no Virtual Happy Hour on 10/23 - Join us for the **[Oregon Architecture Awards Virtual Celebration!](#)**

10/30 This week's topic is an update on the wildfire response planing in the Eugene and Southern Oregon sections, and a discussion of other ways architects can incorporate defensive strategies into the design of buildings to reduce the risk of wildfires. **[Register»](#)**

AIA Oregon Digital Design Series

AIA Oregon's Digital Design Series is a 1 hour virtual session with various presenters on Zoom that occurs Wednesdays at 5:00pm. The topics of this series are design-focused, based on the concept of Learning from Sharing, led by people in our community and should provide opportunities for discussion.

If you have an idea for an upcoming Digital Design Series event, or would like to participate, please contact info@aiaoregon.org

October 13 Recording Available

At our Digital Design Series event Tuesday (October 13), Brian Cavanaugh, AIA presented “Sustainability and Cultural Placemaking - the Lyllye Reynolds-Parker Black Cultural Center at the University of Oregon” where he explored the intersection of sustainability design and cultural placemaking through the lens of the recently completed Lyllye Reynolds-Parker Black Cultural Center on the campus of the University of Oregon.

News & Events

Sustainable Building Week

October 12-23 | See the full event schedule [HERE](#)

The 3rd annual Sustainable Building Week takes place October 12-23 across various virtual platforms and includes over 25 educational presentations, panels, engaging open houses -- and even an entirely virtual Zero Energy homes tour. Attendees can choose which activities fit their interests and schedules, then sign up for individual events. Admission costs are free for most topics, with fees charged for specialized training or events. [Learn More»](#)

The Future of Cultural Centers Dialogue Series

Oct 20 - Dec 1 | 12-1pm

During the Summer and Fall of 2020, AIA New York has been looking specifically at museums, questioning what would happen if we were to take this unprecedented time to explore new missions, visions, and (spatial) programs for existing and new museums. What will 21st-century museums be like? Join us for this Fall lineup of conversations as cultural forecaster and museum expert David van der Leer, Principal of DVDL DD, speaks with museum professionals from around the US and beyond. Optimizing Tax Incentives for 2020: R&D and 179D

November 10 | 12-1pm | 1 AIA LU

Both the Research & Development Tax Credit (R&D) and The Energy Efficient Commercial Building Deduction, also known as 179D, are little known, but highly lucrative tax incentives available to architecture and engineering firms. This course will provide clarity on identifying both R&D and 179D eligible projects, and best practices for efficiently capturing requisite data to maximize tax savings.

Bend Design Week 2020

Oct 19-22

These are tough and tumultuous times. Yet they open up new opportunities for conversation, creativity, and positive change. Explore the possibilities at Bend Design Week 2020!

Dig into meaningful talks, hands-on workshops, film screenings, and lively discussions. As in years past, the programming addresses social justice and gives space to underrepresented voices. Tune in from the comfort of your own device and become the change. [Learn More»](#)

Cost Effective Steps to ZERO, Explained

Oct 19 | 3-4:30pm

Learn about ZERO's 7 steps to make getting your residential, commercial, or multifamily building to zero energy for less money! The ZERO Coalition has developed a streamlined infographic tool for builders, designers, and others in the sustainable building industry to be able to easily see how to achieve zero energy building without breaking the bank...or the budget. At this virtual event, you will hear from the creators about how this tool can help you avoid common pitfalls that end up adding unnecessary costs to the building. [Learn More and Register»](#)

AIA Seattle Forum - Establishing Meaningful Relationships with Communities You Serve

October 19-21 | Register by Friday, October 16

Cost Includes continuing education credit (8 AIA LU HSW). All sessions and speakers subject to change.

This is a 3-day program. Participants must attend the full program in order to receive continuing education credit or a certificate of completion.

AIA Seattle is presenting a multi-day continuing education forum convening design professionals, citizen advocates, community partners, and government representatives in a discussion about the benefits of community engagement, how to ensure that engagement is real and impactful, and how to make these processes a part of our standard practice.
