## "Cultural Expression in the Built Environment" - UO African American Lecture Series

November 6 | 11:45am-1pm | **1 HSW Available!**

Ford Alumni Center, Giustina Ballroom, 1720 E 13th Ave, Eugene

The University of Oregon's Division of Equity and Inclusion, along with AIA Oregon, is proud to present Zena Howard, FAIA, Partner & Managing Director of Perkins & Wills, as the first Speaker in the University of Oregon's 2019-20 African American Workshop & Lecture Series.

Ms. Howard sees the built environment as an expression of human understanding and our collective values. As a key leader in Perkins and Will's cultural practice, she will share how she has used the power of design to engage disenfranchised communities, unite disparate parties, and infuse cultural meaning into projects from national icons to urban landscapes.

## OSBAE Appointments

The Oregon State Board of Architect Examiners Board of Directors is comprised of 7 members; 5 of the members are registered architects who have resided in Oregon for at least 5 years and 2 are non-architects, or public members. [Check out their website](#) to learn more about the OSBAE board members. Board members are selected by the Governor, and terms are 4 years. Board members are typically appointed for two terms.

Traditionally, terms begin and end distinctly for each position. OSBAE is in the process of realigning the beginning of each new member's term to start September 1. This schedule aligns better with annual activities board members are involved in, including attendance at NCARB meetings, and improves onboarding and training for board members.

## PORTLAND

### Architects Without Borders - Call for Volunteers

Help needed for two projects

For the [Debre Birhan School](#) in Ethiopia they need a volunteer who can work from existing construction drawings of a composting latrine building to produce one or two 3D exterior color images showing construction materials and details such as brick coursing, as well as the sloping site where the facility will be built. This job is estimated at three to six hours and the work product is needed before the end of October.

For the [Q Center](#) renovation in Portland they need one or two volunteers with skills in AutoCAD, Rhino, and/or SketchUp to create 2D and 3D images. Volunteers can expect to contribute a few hours of time per week on an ongoing basis.

Neither of these volunteer opportunities requires travel. If you are interested send your name, contact information and a brief summary of your relevant skills to [volunteer@awboregon.org](mailto:volunteer@awboregon.org). Please include the name of the project in the subject line.

### Reynolds Symposium - Education by Design

Oct 17-18 | Registration at the White Stag Building, Portland

We are at a critical transition in architectural education – a transition that must propel schools to address the urgency of the multiple challenges facing our current environment. Through an abstract and reviewed-paper process (including traditional, poster, and lightning presentations), we call on faculty, practitioners, content experts, and students to shape the future of design teaching.
