

Call for Open Board Positions

Two positions on the AIA Oregon Board will become on January 1, 2020; Secretary, and AIA Portland Section Director.

The Secretary is a member of the Executive Committee and the position is selected by the Board of Directors. The term of the position is two years. See below for the selection process for the Secretary.

The Section Director is a member of the Board of Directors and the current position to fill is the Director from the AIA Portland Section. The Section Director serves as the liaison between the local Section and the Board. The Section Director is selected by the Section in the process described at the link below.

In addition, each Section will identify a person to fill the role of Section Director-elect. The Section Director-elect is a newly defined position and intended to support the Section Director by leading the activities of the Section and learning the role of Board Director. It is assumed that the Section Director-elect position will evolve over the course of 2020. The Section Director-elect is selected by the Section in the process described at the link below.

2019 AIA Eugene Design Annual - Call for Contributors

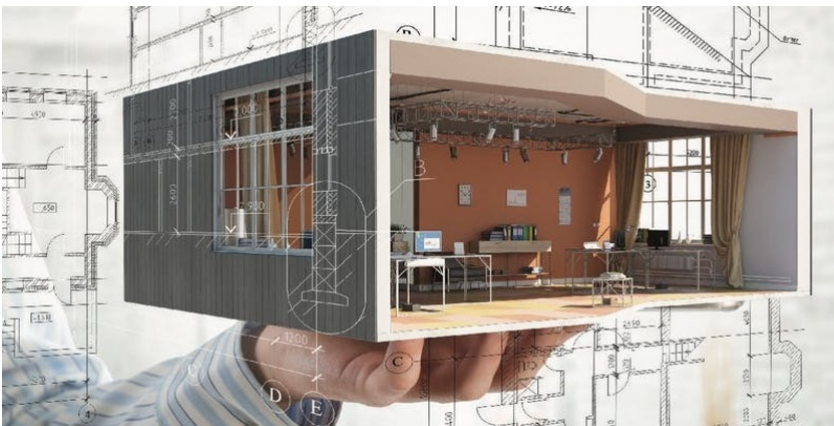

We want you to be part of this year's Design Annual publication! With a distribution to over 190,000 businesses and residents in Lane County, and untold numbers of online readership, the Register-Guard is an excellent place to advertise your firm or business. The Design Annual will be published and

included in the **December 11th** issue of the Register-Guard, as well as being published online.

Please join us in raising the visibility of our members and our industry, highlighting the chapter's recent accomplishments, and sharing the quality and value of our work in the community. Our focus will be on **"Healthy Downtowns: Park and Public Space Design"**. Our cities continue to change, with much focus on the heart of the downtown experience. As a collective of professional thinkers, designers and do-ers, we'd like to show that architects transcend discussions and debates and produce real built work--the ultimate impact on our environment.

Interested in being a contributor? Would you like to place an ad? Contact kwendland@aiaoregon.org to secure your space in the 2019 AIA Eugene Design Annual!

November Luncheon Learns with BRAYN Consulting

Join us in Eugene or Southern Oregon for a Tax Credit Luncheon Learn!
Credit: 1 LU/CPE
Cost: FREE

Speaker: Brady Bryan, Founding Member and CEO of BRAYN Consulting, LLC

You are paying too much in taxes. Over 70% of architecture firms and their owners are not claiming a very powerful tax incentive – the Research & Development Tax Credit. Are you missing out on dollars for design that could give you a competitive advantage? This course will cover eligibility requirements and how to leverage available information and technology within time tracking software to easily access this lucrative incentive.

Eugene Luncheon Learn - November 12th

Brady will present at the Eugene Octagon on Tuesday, November 12th from Noon - 1pm. There will also be an **informal Happy Hour on Monday evening, November 11th**, at the Bier Stein, starting around 7:30. Stop by and enjoy a drink and some food on BRAYN.

Message from AIA Eugene

CoLA

AIA Eugene Committee on Local Affairs (CoLA) is seeking input from our members to contribute to a larger discussion of topics. The current committee will be conducting a revisioning session to further develop our purpose and clarify the agenda of topics for 2020. Any AIA or Affiliate members are invited to join the next meeting on Monday, December 9th at 5:30 pm at the Eugene Center for Architecture (the Octagon) at 92 E. Broadway.

If you're not able to attend and have topics that you'd like us to consider pursuing next year – or if you are interested in becoming a CoLA member, please email kwendland@aiaoregon.org.

Be part of the movement to create sustainable and equitable communities by [attending Build Small Live Large!](#) This biennial event is where innovators share what's working in their cities, and promote the best strategies to regulate, design, build, and finance smaller homes and "Missing Middle" housing options. [Read more and register here.](#)

Architects Without Borders - Call for Volunteers

Help needed for two projects

For the [Debre Birhan School](#) in Ethiopia they need a volunteer who can work from existing construction drawings of a composting latrine building to produce one or two 3D exterior color images showing construction materials and details such as brick coursing, as well as the sloping site where the facility will be built. This job is estimated at three to six hours and the work product is needed before the end of October.

For the [Q Center](#) renovation in Portland they need one or two volunteers with skills in AutoCAD, Rhino, and/or SketchUp to create 2D and 3D images. Volunteers can expect to contribute a few hours of time per week on an ongoing basis.

Neither of these volunteer opportunities requires travel. If you are interested send your name, contact information and a brief summary of your relevant skills to volunteer@awboregon.org. Please include the name of the project in the subject line.

Positively Portland Walking Tours
