## AIAO Design Annual - Call for Submissions

Each year the AIA Eugene Section publishes the Design Annual. Following our consolidation into a single-state Chapter, this year we're opening this publication to contributors from across Oregon.

The intent of the Design Annual is to elevate the profession in the eyes of the public, and we depend on our members to contribute design-related articles, 800 to 1200 words, that are of interest to a wide audience. These articles will cover a vast variety of subject material all under a common theme. This year's theme is "Inclusive Spaces."

Please let Colin Dean know if you're interested in submitting an article. All submittals must be received by Friday, December 18th (end of day) for publication in mid-January.
