News from National

Energy Trust of Oregon 2020 Net Zero Fellow

Congratulations to Mark McKechnie, AIA of Oregon Architecture, Inc., the 2020 Net Zero Fellow. Mark will use funding from Energy Trust of Oregon's fellowship grant to research cost drivers associated with net-zero affordable housing in Oregon. Based on his research, he will create resources that developers, designers and construction teams can use to evaluate a range of energy consumption reduction options and rate them according to cost of construction and return on investment.

CALL FOR PRESENTERS

AIA Eugene would like to invite AIA Oregon members to present at the annual Professional Pin-Up in January 20, 2021. In the past, the format of the presentation has been similar to an academic studio review. Multiple firms present concurrently, with rotating reviewers comprised of students, faculty, and local professionals. We are working on ways to adapt this format to our current virtual restrictions.

Showcase your projects during any phase of design and/or construction. Invite multiple professionals involved with the project to present and discuss how collaboration affects design.

If you are interested in presenting, or for more info, please contact info@aiaoregon.org.

New UO College of Design Dean

University of Oregon Provost and Senior Vice President Patrick Phillips announced on November 19th that he has appointed Adrian Parr to be the next dean of UO's College of Design. She is currently the dean of the College of Architecture, Planning and Public Affairs at The University of Texas at Arlington, a position she has held since 2018. She starts in her new position in late March 2021.

ARE Online Proctoring Update

NCARB is in the process of preparing an online proctored option for the ARE, which will launch December 14. As more information becomes

available, you can find the latest updates on online proctoring at the link below.

NCARB is planning on holding a live webinar on Thursday, December 10 at noon. Check their website for registration links. We will add a link to the AIA Oregon home page when available.

Virtual Happy Hours

Our Virtual Happy Hours have regular discussion topics, often based on the T@3's "Message From" or that week's Digital Design Series presentation, and may include breakout rooms for a more engaging experience.

12/4 This week's topic will be an overview of the Facilities Task Force goals and process, and an open discussion about how we may use

our AIAO space in a post-Covid world. This discussion will give members the opportunity to comment on spatial needs. [Register Here»](#)

12/11 Small Firms Exchange 2021 - The AIAO VHH format began in April 2020 as a format for the SFx. As we plan for 2021, how does the VHH format support the SFx and how do the local SFx groups transition back to in-person events? [Register Here»](#)

AIA Oregon Digital Design Series

AIA Oregon's Digital Design Series is a 1 hour virtual session with various presenters on Zoom that occurs Wednesdays at 5:00pm. The topics of this series are design-focused, based on the concept of Learning from Sharing, led by people in our community and should provide opportunities for discussion.

December 2 Recording Available

"Decarbonizing Building Operations — How to Approach Building Electrification"

Katie Zabrocki of PAE looked at the key system considerations required for building electrification and overviewed case studies of successful all-electric building projects in the region.
